Visit of Ambassador Clark	
1. The Director's office mentioned last night	
that since he would be out of the building prior to	
noon, it would be best to set the meeting with Amb.	
Clark for 1215. Therefore, Amb. Clark will be brought up to the DCI's office at that time and you	
can join him there.

2. I have alerted and OSP and	23/1/
also George Miller to stand by from 1300 on for a call from Tish whenever you return to your office	
with Amb, Clark.	
3. Attached is a brief biographic sketch on Amb. Clark.

4. FYI: The last time Clark was here he met with DD/P, and and George	25X1A
with DD/P, and and George Miller talked to him about the system in	25X1A
general and showed him the model. They pointed	
out its significance and that this would be the only	
central station. showed some color slides of	25X1A
his trip to and remarked that Clark showed	25X1A
a lot of interest.
